Work being done during COVID-19

- Council business is continuing within Government restrictions and the Clerk continues to work from home.
- All Parish Council meetings are operating through remote technology.
- All Open Spaces are being maintained and litter picking is continuing.
- Play parks, although shut are being maintained (tennis court opened on 10th July 2020 and Play area opened on 24th July 2020)
- Planning applications are still be reviewed and comments sent in.
- The usual flower planters are being maintained.
- Both allotment sites remain open for tenants, subject to social distancing restrictions that were advised to them.

Work being considered for the future

- The VE Day event has been postponed.
- Consideration of improvements to play area and tennis court, including potential outdoor gym.
- Consideration of how best to work and collaborate with local groups.
- Consideration of hosting events to promote health and wellbeing initiatives.
- To continue with the Parish Council organised Community Litter picks

Dealing with money

- The Parish Council is utilising online banking facilities to continue operating during COVID-19.
- We are strongly encouraging people to make use of online payment services wherever possible in dealing with the Parish Council.
- Please be alert to any scams and report them to the police. [Police advise is available on this issue](#)

Staying Safe!

- For those who choose to volunteer it is important to stay safe and look after both your own and your loved ones wellbeing.
- We do not want any Volunteer placed at unnecessary risk, [please observe the NHS advice](#) (it is updated daily) and follow all health and safety requirements (Eg. Washing your hands frequently and wearing a face mask if you feel it necessary.)
- The government has specifically stated that those of us who are leaving the house *“to provide care or help to a vulnerable person”* will be allowed to carry on.

The Parish Council is working hard to continue to maintain the parish at this difficult time. We are also continuously planning for the future and would welcome any suggestions you may have.

Stay Safe.
