20/62 To approve rules for the conduct of online meetings

Having considered the set of rules for online meetings they were formally **approved** by all Councillors.

20/63 Public Forum- to receive any representations from the public

Councillor Knight stated that he considers that Chelmsford City Council has performed very well in this difficult situation with Covid 19 however there is a substantial loss of revenue in the region of £2Million a month which may present an issue for the future with loss of car park fees, the leisure centre use, Hylands House and general rent and rates.

Councillor Aldridge advised that the Sheepcotes roundabout is now open the work having been finished. He has sent lots of information relating to the Covid 19 situation to Parish Councils including the potential use of the Park and Ride as a temporary mortuary which has not been required as yet. The Government has advised that recycle centres should be open but the County Council has had to consider issue of social distancing and health and safety and as yet those centres are not open. Issues have been faced with PPE.

The representative from the Channels Residents Association confirmed that the group now have funding for a leaflet drop to promote the assistance available to residents during the Corona Virus situation and asked for volunteers to assist. Councillors Kingham and Eve agreed to assist and the Clerk will approach the Memorial Hall committee who were previously willing to help with a leaflet drop. He also mentioned that the footway to the retail units was being constructed which was

a positive step and should be finished by the dark nights in autumn and good news from the Pompadour side of the development in particular.

20/67 Clerk’s Report

The Clerk reported as follows –

1. The community litter pick has been re-scheduled for 26th September 2020.
2. On 4th March I attended the Stansted Airport Stakeholder consultation event regarding the process to update flightpaths. Once detailed proposals have been put together by the airport the matter will go out for public consultation.
3. Chelmsford City Council has advised that the additional litter picking within the ‘Love Your Parish’ scheme will take place on 18th June 2020.
4. Essex County Council has been liaising with the resident at Scurvy Hall Lane to replace the gates and barriers that had been removed.
5. As a result of the Covid 19 situation the VE day event has been postponed. Whether this may take place in the autumn will depend on Government advice regarding social distancing.

It was noted that the Memorial Hall will be decorating the exterior of the building with bunting purchased by the Parish Council for the delayed event and the school are making bunting to decorate their building. Residents of Winckford Close have asked to put bunting on the War Memorial. Councillors felt this would not be appropriate and declined that request and suggested they decorate their houses instead. It is hoped that the event that should have taken place this weekend can be delayed to the autumn but this will depend on the progress of the Covid 19 situation.

6. I have circulated the list of correspondence received since the last meeting.
7. In view of the Covid 19 situation the children’s play area and the tennis court have been closed and secured with locks and closures signs erected. DW Maintenance has been advising me if they observe any issues and have re-erected the signs when they have been taken down.
8. As the cultivation of allotments is considered exercise both sites remain open but I have circulated to the tenants the guidance notes from the National Allotment Society regarding safe use of allotments including social distancing.
9. The new Facebook page was set up in February and has proved very popular with residents.
10. Each month I will keep you updated with matters that do not require action at this point in time by the Parish Council but need to be noted as ongoing. This month I can advise

Item	Actions awaited	Date raised
Local Highway Panel – 30mph zone at Chatham Green loop	Local Highway Panel has included this in potential works list for a feasibility study	December 2016
Repair of three bridges over streams in the Parish	Matter referred to Chelmsford City Council to resolve.	February 2018
Community Governance Review	Chelmsford City Council wish to	April 2019

	progress within a larger review of boundaries in the City Council area	
Local Highway Panel – application for a crossing at Ash Tree Corner	Submitted to the Highway Panel on 13 November 2019 – validation awaited	November 2019
South Essex Parking Partnership – application for yellow lines on the junction of the B1008 and The Street by the school	Submitted to the South Essex parking Partnership on 20 November	November 2019

In addition, it was noted that the Clerk has heard today from the South Essex Parking Partnership that they are recommending double yellow lines in the vicinity of the B1008 junction with The Street and also the junction by the school. This will go out for public consultation in due course.

The report was otherwise **accepted**.

20/68 To receive update regarding Cricket Club and leasehold arrangements

20/68.1 Update regarding leasehold negotiations

It was **noted** that the City Council is investigating legalities with a view to formally repossessing the pavilion and land formally used by the Cricket Club whereupon they will look to progress a new lease of the entire area with the Parish Council. No contact has been made by the Cricket Club with the City Council although the Parish Council is aware that the club now have an arrangement with Shalford Parish Council to use sports facilities in that Parish.

20/68.2 To consider issue of grass cutting of the field

The City Council has confirmed that it has no objection to the Parish Council cutting the grass. Councillors **agreed** that the grass should be cut and the quotation obtained from DW Maintenance to add the cutting of grass in that area was **accepted** for the ongoing future. The Clerk was asked to update residents via Facebook. It was also requested that the Clerk ask the City Council to take the action they agreed to remove the concrete blocks and reinstall the gate to the area opposite the White Hart public house as this would be a condition for the Parish Council to sign the lease.

20/69 Matters to be raised by members for the next agenda.

Councillors **agreed** to keep to the same timetable of meetings. It was noted that subject to the completion of the internal audit the accounts will be presented for approval at the next meeting. Although the deadline for the approval of accounts has been extended to the end of August, the intention is to try and comply with usual timetables so far as possible. Cricket Club issues to appear on next agenda. Nothing has been heard from Bloor Homes regarding the potential development at Blasford Hill. Nothing further has been heard regarding the meeting for the potential Garden Village. A meeting should have taken place regarding the Affordable

Housing project. The Clerk was asked to see if the meeting could be re-arranged using virtual technology and the Clerk, Chairman and any other Councillor that wishes to attend.

Meeting concluded at 8.10pm
